

How to get the 915 Entrepreneurship Supplemental Endorsement

This is an “add on” supplemental endorsement that may be earned only by persons who hold a currently valid secondary level educator license in one of the following:

- 105 Business Education (7-12)
- 405 Business Management
- 952 Career Pathway: Finance and Accounting
- 955 Career Pathway: Management
- 956 Career Pathway: Marketing
- 192 Social Studies (7-12)
- 193 Economics (7-12)

A #915 endorsement allows a person to teach the following course:

990003 Entrepreneurship

How to get the endorsement?

1. Complete the Master Teacher of Entrepreneurship (MTEnt) program offered by MCEE at which time you will be provided with a certificate noting your completion of the MTEnt program for your use in applying for the endorsement. Please retain a copy for your records.
2. Complete an online learning workshop, module, or course (ex. COOL offered by the RCU). Need more info? Contact the Career and Technical Education department of the MS Department of Education
3. Complete a Technology assessment (ex. IC3 or the technology literacy module included in COOL). Need more info? Contact the Career and Technical Education department of the MS Department of Education
4. Submit the Career and Technical Education Application along with your certificates of completion to the Office of Educator Licensure. The application can be accessed at <https://www.mdek12.org/sites/default/files/Offices/MDE/OA/OTL/Types%20of%20Mississippi%20License/Career%20and%20Technical%20Education%20Information/CTE-Application-08182018.pdf>
